President

Vice President

And the following Directors:

Membership, Activities, Program and Publicity

OSH Tower Tour

By Jack Erdmann

The tour of the Oshkosh Tower is set for Saturday October 20th @ 10:00 am. Sign up for the tour has been closed as we have met the limit of what OSH has said they would allow.

We will meet at the Aviation Heritage Center at 8:00 am and will depart at 8:30 am. We will car pool as much as possible. (sorry that we are not able to fly!)

Any lunch plans will be decided by the group either during or right after the tour.

Hello Everyone,

By Seth Minster, President

Here's an update on some of the happenings in the chapter. Dave Rudd has planned a Young Eagles event for Saturday, Oct. 13th and needs a few volunteers to help him out. It is from 9-12 am and anyone interested should contact him at lucky63@bytehead.com.

We have also discussed a trip to the Aeronca/American Champ factory that is west of Racine. That would be later this year or early next year.

Jim Wickert at jimw_btg@earthlink.net is working on the details for this one.

Finally, we are planning (only /planning/) a catered dinner for this month's meeting and need a definite count of those who would attend.

The meeting is on the 15th and will be followed by a presentation by Larry Stencil on flight testing at Edwards AFB. Also, annual elections will take place at this meeting. The cost for the meal will be about \$5/person with the chapter picking up some of the costs. Right now, we are looking into several different sources but it will surely be worth the money if we go ahead with it. Please RSVP to Chris Roenitz at croenitz@excel.net.

One last note--we are trying to update the chapter archives and are looking for anyone that has old Propwashes and/or meeting minutes. If you have any (or know someone who does) please let me or another officer know and we will arrange to get them for our files.

EAA Chapter 766

Everyone is rushing to EAA Chapter 766 October meeting....

By Jim Wickert

Extra Extra.....We have several new members!!!!

Are you bringing a guest to the next Chapter meeting? Remember you have until January 1st to get an entry into the Chapter 766

Membership Drive. Each new Member will get you an entry for the drawing of a "Leather Pilots Bag, Sporty's E6B Flight Computer or a One year paid EAA membership", Several people are working hard to make it *Happen*.

EAA World War 1 Engines

Hello EAA Chapter 766

I am helping a fellow (Jerry Yagen) <http://www.fighterfactory.com/> locate World-War-One era engines/airframes or replicas. Hispano-Suiza, Mercedes, Hall-Scott, Liberty, OX-5, Siemens-Halske, Oberursel, Clerget, LeRhone, Gnome, other rotaries, etc. If you know of anything for sale or trade I'd appreciate any information.

I also do aircraft construction/restoration (tube-and-fabric, wood, aluminum etc.) if I can be of service to anyone.

Sincerely,

Russ Lassetter
